

Where'd you go? } for orthopedic care.

In St. Louis people always ask, "Where'd you go to high school?" They also might ask where you went for orthopedic care. And people like Jan Bayer are saying great things about St. Anthony's Medical Center. For this former high school athlete and lifelong lover of sports, that says a lot. She went to St. Anthony's, which has one of the region's largest orthopedic programs and leads the St. Louis area in hip and knee replacements.

Her hip replacement took care of the pain and Jan took up the things she loves most – volleyball and doing 50 miles a week at spinning class.

Jan went to St. Anthony's. Where'd you go?
