

# Where'd you go? } for urgent care.

In St. Louis people always ask, "Where'd you go to high school?" They also might ask where you went for urgent care. And people like Scott Beck are saying great things about St. Anthony's Urgent Care centers. He's a regular, so good thing there are four locations. Scott works construction – and stuff happens. So he heads in and gets right out – usually in less than an hour. And each Urgent Care center is staffed by board-certified physicians. For the former Fox High soccer player, getting in and out fast can make all the difference.

When you're on the go, it's good to know St. Anthony's Urgent Care is here for you.
