

Where'd you go? } for cancer care.

In St. Louis people always ask, "Where'd you go to high school?" They also might ask where you went for cancer care. And people like Len Kohlen are saying great things about St. Anthony's Cancer Care Center. A recent cancer patient, Len was treated at our accredited center, which provides comprehensive cancer services including diagnostics, treatments, and advanced technology.

St. Anthony's got the old high school "lake rat" back to water skiing again and living up to his current nickname, "Ski Daddy."

Len went to St. Anthony's. Where'd you go?
