

Where'd you go? } for a great doctor.

In St. Louis people always ask, "Where'd you go to high school?" They also might ask where you went for a great doctor. And people like Angela Moissis are saying great things about the doctors at St. Anthony's Medical Center. The former St. Pius X High pep squad member is fired up about St. Anthony's. Her doctor delivers timely, dedicated care in a family-like setting. And that's just how this Lancer likes it. Her small school setting was friendly and welcoming, just like St. Anthony's.

And with same-day and next-day appointments, there's lots for Angela to cheer about.

Angela went to St. Anthony's. Where'd you go?
