

Where'd you go? } for a great doctor.

In St. Louis people always ask, "Where'd you go to high school?" They might also ask where you went to find a great doctor. And people like Art Morris are saying great things about the doctors at St. Anthony's Medical Center. For this former Riverview Gardens grad, loyalty is everything. That's where Art made lifelong connections with his fellow Riverview Gardens Rams. Years later, the lines of communication are still open.

It's like his relationship with St. Anthony's. His doctor listens, communicates and delivers timely, dedicated care in a family-like setting. And many doctors offer same-day and next-day appointments. All reasons why he's glad he chose a St. Anthony's doctor.

Art went to St. Anthony's. Where'd you go?
