

Where'd you go? } for heart care.

In St. Louis people always ask, "Where'd you go to high school?" They also might ask where you went for heart care. And people like Leon Schnable are saying great things about The Heart Specialty Center at St. Anthony's. This former Fox High Warrior was just that through his cardiac rehab – a warrior dedicated to getting better, faster. Leon went with St. Anthony's because it has one of the area's largest heart programs – offering a dedicated cardiac team, advanced technology, and a new Heart and Surgical Pavilion.

And for this shop class pro, he knew to trust in his team of doctors just like his favorite shop teacher. They all have steady hands, a respect for technology, and the equipment to build something stronger. This time it was Leon's heart.

Leon went to St. Anthony's. Where'd you go?
