

Where'd you go? } for a urgent care.

In St. Louis people always ask, "Where'd you go to high school?" They also might ask where you went for urgent care. And people like Natalie Torrence are saying great things about St. Anthony's Urgent Care. With board-certified physicians, they're the go-to place for busy moms like Natalie. She gets right in and usually is out in less than an hour. With three boys all under the age of 12, their activities keep her as busy as when she was in high school with theatre, cheerleading, business club, and student council.

When you're on the go, it's good to know St. Anthony's Urgent Care is here, ready to help.

Natalie went to St. Anthony's. Where'd you go?
