

CANCER CARE CENTER

Advanced cancer treatment close to home

The thoracic oncology cancer team comes together regularly to discuss the diagnosis and treatment of specific patients.

St. Anthony's Cancer Care Team

Our team of experienced oncology experts delivers compassionate care that's unique to each individual patient. The interdisciplinary team includes **radiation and medical oncologists, gynecologic oncologists, surgeons, urologists, diagnostic radiologists, interventional radiologists and pathologists.**

Physicians at St. Anthony's manage the care of cancer patients with the assistance of weekly multidisciplinary tumor conferences for the following specific cancers:

- Breast
- Thoracic
- Neurological
- Gastrointestinal
- Genitourinary

Physician referral information is available at www.stanthonyshospital.com or by calling 800.554.9550. For referrals to Radiation Oncology, please call 314.525.1688.
