The screenshot displays the HHS.gov Hospital Compare website. At the top, the U.S. Department of Health & Human Services logo is visible, along with a search bar for Medicare.gov and navigation links for Email, Print, Bookmark & Share, RSS, and Español (Spanish). Below the header, there are buttons for Home, Manage Your Health, Medicare Basics, Resource Locator, and Help & Support. The main content area is titled "Hospital Compare" and features a search form with the question "Where do you want to find a hospital?". The "Search Information" section includes a "Location" field with the zip code "63128" entered, and a "Search type" section with radio buttons for "General", "Medical Conditions", and "Surgical Procedures". The "Medical Conditions" option is selected, and a dropdown menu is open for "Select a Condition". A green "Find Hospitals" button is located at the bottom of the search form. To the right of the search form is a "Hospital Spotlight" section with text about Patient Safety Tab, Medicare reporting measures, and Hospital Value Based Purchasing Program.

- Select St. Anthony's Medical Center. Click green "Compare" button.
